

Housing for Health – Registered Nurse II (RN II) Opportunity

DHS Housing for Health (HFH) is seeking an RN II to work on a C3 (City, County, and Community) Multidisciplinary Integrated Team (MIT) in the Venice area of Los Angeles County.

The RN II will provide services to street-based homeless individuals within a multidisciplinary team. The RN II will represent DHS on the C3 team and will be supervised by DHS HFH.

DUTIES:

- Participate as the health component of the team.
- Provide nursing care and services in outreach locations (streets, shelters, etc.) including interviewing and examining patients and formulating care plans.
- Assess for immediate medical needs and coordinate access to urgent or emergency services if needed.
- Coordinate with team members to determine if client has health care coverage and a medical home and assist client with linkage to medical home.
- Collaborate and communicate with medical home, specialty care providers, homeless services providers, and supportive housing providers to coordinate client care.
- Provide nursing support for C3 clients within their interim and permanent housing environment, once they are housed.
- Participate in case conference meetings on each client receiving C3 MIT services.
- Complete and maintain client documentation and records.
- Assist with HFH activities as directed.

PHYSICAL CLASS: 3 – Moderate.
